#TEAMACORNS 2023-24

Now the class letters have been provided to all parents, we wanted to introduce you all to

Miss J Underwood & Miss S Kaur

We are delighted to be welcoming them both to
#TeamAcorns

The Acorns Art Exhibition

We would like to invite you to an exhibition of all our children's artwork.

It has been professionally framed and mounted and will be viewed on special display stands, so you can browse and view their masterpieces in their full splendour.

The children are rightly very excited and proud of their fantastic artwork, and you will be amazed at the stunning displays.

The Visual Arts play a big part in the life of the school: having their pictures framed and displayed will be a huge occasion for the children and having an audience will add an important finishing touch, so please pencil this into your diaries.

There will be an opportunity at the exhibition to purchase the framed original pictures in support of school fundraising. Pictures can be purchased using cash on the evenings of the event or purchased via ParentPay.

The school art gallery will be open in the main school hall on:

**Wednesday 28th June from
3.15pm until 6pm**

**Thursday 29th June from
3.15pm until 5pm**

HOUSE NEWS

Well done to **#HouseMalala** for earning the most House Points last week! Super manners, well done.

TEACHER STRIKES

As with all previous teacher strike days, The Acorns will remain open for ALL pupils and no planned events will be disrupted. Please note, even if you have older children at other schools who are impacted by the strikes, Acorn's pupils MUST be in school on these two days, 5th & 7th July.

FOOD / MEAL SUPPORT & PRICES

We are pleased that the Government have announced that they will continue to provide the £15 per week supermarket vouchers to those pupils in receipt of benefit-related Free School Meals during the 6-week holiday. If you are not eligible currently, but think you may be, please speak to the office who will give you a QR code to check!

Unfortunately, due to the rise in food costs, our catering company have had to increase the price of a school meal, which means from September 1st, the new cost of a school dinner, will be **£2.45**. We are sorry to be adding this burden during these challenging times but thank you for your support.

THE LAST SPACES IN NURSERY!

We have a couple of places left in Caterpillars and Butterflies for September. If your little one has not yet got a place, or you know of someone in the community who would like one, please ask them to make contact with school and secure one of the last few places remaining!

MEASLES
Don't let your child catch it
– get them vaccinated with the MMR vaccine

The number of young people catching measles has risen. It's never too late to be vaccinated. You need two doses of MMR one month apart to be fully protected against measles, mumps and rubella.

It's time to make measles a disease of the past.

If you have symptoms of measles, stay at home and phone your GP or NHS 111 for advice. **STAY AWAY** from GP surgeries and A&E departments – you could spread the illness to others.

Measles symptoms include: high fever; sore, red, watery eyes; coughing; aching and feeling generally unwell; a blotchy red brown rash, which usually appears after the initial symptoms.
