WELCOME TO THE WORLD!

We Would like to introduce the latest #MiniAcorns to the world! Finlay and Louis were welcomed by Mrs Platt and her husband on 5th October. Both boys were not far off a very healthy weight of 6lb!

Huge congratulations to
the new parents 😊

SWIMMING

Not all parents know, but swimming is a national curriculum subject and therefore is statutory, and MUST be taught. In the same way pupils cannot 'opt out' of history or music, they also cannot opt out of swimming! Not only is it a legal requirement to be taught in schools, it is also a crucial life skill. At The Acorns, all out KS2 pupils swim for one half term every year. Please positively encourage your children to actively participate and give them the resources they need in order to do so; a swimsuit / shorts / towel / goggles.

Please also note, the £2 contribution per week that we request is towards the coach, NOT to pay for the pool, teachers or lifeguards, as these costs are fully covered by school. Therefore, even if you child is in school but does not swim, they will still travel on the coach and we will still be requesting the contribution. Any questions, see Mr Painter, our Sports Lead.

SAFETY

Deposits for residentials are due imminently:

Year 2	Tattenhall	2 nd November	£20
