The purpose / aim of the PCF is...

- To be the voice of as many parents/carers as possible.
- To be the strategic consultative body within the Borough representing families of children and young people with Special Educational Needs or Disabilities.
- Provide links with Professionals and Voluntary Organisations within Cheshire West and Cheshire.
- To consult and share information with our members, in an effort to ensure that all children and young people in the Borough with SEND are given the chance to achieve the best possible outcomes.

"It's great to meet the professionals who make decisions about our children and how we can be involved.."

"I've learnt a great deal from the PCF about the SEN Services in our area and where to go for help and advice."

"It's great to meet other parents in the same situation as me, they have lots of useful advice and support.."
