

At The Acorns Primary & Nursery School, we endeavour to inspire our pupils to aim high in life and to achieve their goals.

But how do they know what their options could be?

To help expand their minds and consider the never-ending opportunities that could be available to them, we would like members of our local community, especially parents, to come and share their experiences about the careers and jobs they do.

Do you have a job or career that may inspire our pupils?  
If so...

Please pop in to see Mrs Broom or email:

We would love to welcome you into school to be part of
