SCHOOL UNIFORM & SHOES

We have seen a real dip in our pupil's presentation recently, with some pupils not wearing the correct uniform and many coming in trainers which are not all black. Please note that our school uniform is very important to us and supports the children to feel a sense of pride and belonging. For this reason, we offer the free 'Pre-loved' uniform on the rail in the entrance and we also have black shoes and pumps that children will be asked to change in to, if they come to school wearing incorrect footwear.

ORDERING SCHOOL LUNCHES

Thank you to the majority of our families who are now successfully ordering school lunches from the app at home. This not only saves valuable teaching and learning time in school, as well as reducing admin time, but it also allows you to know what your children are eating daily and helps prepare them in advance. Please can we request that children are part of the ordering process, where possible, as we are getting some upset children where parents have ordered something they don't like and there is an option they would have preferred. Thanks.
