**YEAR 6**

Well done to our Year 6 pupils, who performed their end of year production, 'Porridge' this week to an audience of parents and friends. We were so proud of how well they learned their lines and songs and how brilliantly they performed, especially after a busy week in Min-y-Don last week and transition visits to the High Schools the week before!

**HOLIDAY DATES**

**2024-2025**

Please note the holiday dates and insets for next academic year, starting in September.

Government rules on attendance are tightening up as of September, so please do not book holidays in term time and ensure your child is at school every day they possibly can be!

Dates for 25-26 are also now available on our website for those who are super organised!

# Swap Shop

Dear Parents and Guardians,

We are excited to announce that our school will be hosting a Swap Shop event after school on the 18<sup>th</sup> and 22<sup>nd</sup> July from 3.15pm to 4.15pm in the school hall. This is a wonderful opportunity for families to exchange gently used items and find new treasures, all while fostering a sense of community and sustainability.

To ensure a successful and enjoyable event for everyone, we kindly ask that you adhere to the following guidelines when selecting items to bring:

1. **Clothing:** All clothes must be clean and free of stains, holes, or rips. Please ensure that items are in good condition and ready for their next owner to wear and enjoy.
2. **Underwear:** For hygiene reasons, please do not include any underwear in the items you bring to the swap shop.
3. **Toys:** Any toys brought for the swap should be complete and in full working order. This helps ensure that all children who receive new toys can immediately enjoy them without any issues.
4. **Books:** Books must have all their pages and free from rips and tears.
5. **Small Household Items:** For example, vases, ornaments, photo frames. All items must be complete without cracks or breakages.

Please bring your donations to the school office where our team of eco warriors will help sort and organise them into the relevant age, size and category.

We believe this event will be a fantastic way for our community to come together, share resources, and teach our children the value of reusing and recycling. Any items left over at the end of the event will be either donated to Cheshire based charities or ethically recycled. We look forward to seeing you there and hope you will take this opportunity to refresh your wardrobes and toy chests in an environmentally friendly way.

Thank you for your cooperation and support.

Warm regards,  
Miss Underwood
