FLU VACCINATIONS

All parents have now received a message and link via School Spider in order to book your child's flu vaccination this term. This is a very quick spray up their nose and NOT an injection, as some people think. Our uptake was very low last year and we then saw a number of pupils becoming poorly with flu and flu-like symptoms. Please take a couple of minutes to complete the form using the link and code you have been sent and protect your children over these coming winter months. Thank you.

FREE SCHOOL MEALS

If you are not currently entitled to Free School Meals for your child (excluding the Universal Free Meals in Reception & KS1), please go on the CWAC website to check if you may be eligible. This week alone, just through conversations with parents, we have been able to prompt 6 families to check their eligibility (which only takes 2 minutes) and they have discovered they are eligible. This means that their children will now receive free meals and school also receives additional funding to make sure we are supporting the children to be the best they can be! Simply google 'CWAC apply for free school meals' and check today!

CALLING ALL MUMS!

Online Safety is a huge focus for us at The Acorns as we endeavour to ensure our pupils learn to be as safe as possible when online.

We realise that parenting is becoming increasingly challenging as our children have growing access to devices and the internet, and from a younger age.

If you want to make sure you are doing everything you can to keep your children safe online, we recommend you book onto this course.
