

Thursday 24th October 2024

Dear Parents/Carers,

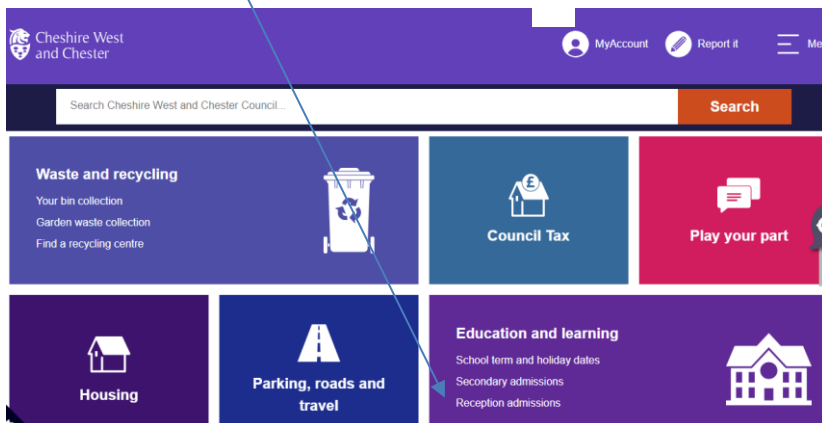

I know many of you have already done so; however, if you have not completed an application online for a Reception place in September 2025, please go online at:

www.cheshirewestandchester.gov.uk

Click on: Education & Learning → Reception admissions → 2. Making an application → Apply. You will be asked to create an account. Ensure you keep your password safe, as you will need it to log in later in the year to see if you have been allocated your chosen school.

If you have any difficulties with your application, please email our SFLO, Mrs Savory, at: s.savory@theacornsprimary.co.uk Mrs Savory will then make an appointment to support you with your application.

It is important to be aware that attending our Nursery setting (Butterfly Class) **does not guarantee your child a place in Reception with us**. Online applications **must** be completed and before the deadline.

Reception admissions

In this section

- 1 Overview
- 2 Making an application
- 3 Compulsory school age and deferred/delayed entry
- 4 Moving house dates for reception applications
- 5 Process following the offer of a reception school place
- 6 Late reception applications and late changes

Warm regards,

Mrs E Leslie (Assistant Headteacher EYFS Leader)
