ANTHONY WALKER FOUNDATION

This week we were excited to welcome in the Anthony Walker Foundation, a charity which works to tackle racism and hate crime by providing educational opportunities. Years 3, 4, 5 and 6 benefitted hugely from the assembly and workshops they provided. Please ask your children about these experiences and the learning they have taken from it.

SCHOOL LUNCHES

Please check out the new Autumn / Winter lunch menu via your School Hub app. Hopefully, a lot of your child's favourites have made a comeback for the colder months. Please ensure you are booking your child's lunches with them at home, via the app.

Lunch times run most successfully when the children have helped to choose what they would like for lunch and are expecting it. Failure to book a lunch by 9:15am often results in a child having to have a sandwich which can lead to disappointment and often tears. Bookings can be done 3 weeks in advance, so we recommend you make the most of this and sit down just twice per half term to book lunches for the 3 weeks ahead.

FLU VACCINATION CONSENT DEADLINE!

19th November is the deadline for parents to consent online to the flu vaccinations. So far, only 150 pupils have received consent, which is well under half our pupil population. Please go online and give your consent as soon as possible.

ASK ME ABOUT...

Education is most effective when schools and parents work in partnership and parents are aware of what their children are learning about and doing in school. So, this week, please ask:

Caterpillars: the 'Tiny Tim' (turtle) song

Butterflies: performing a poem

Reception: 2D Shapes

1M: The Owl and The Pussy-Cat

1/2T: using my log-in and password on Purple Mash

2U: the 'Commutative Law' and Subtraction

3S: why the poppy symbolises Remembrance Day

3/4T: internet safety

4I: why we celebrate Remembrance Day

5McC: the Windrush Generation

5/6S: how we see objects

6T: why we should still remember the Windrush Generation

22nd November

CLOTHES RECYCLING

Thank you for supporting our PTA by recycling your old clothes in the recycling unit by the main entrance to school. Just since September we have raised another £22.40 whilst also doing our bit to save the planet. Every little helps!

Why not have a clear out this winter, before the Christmas holidays, and make space for all the new clothes that Santa might bring?
