Year 6 to Min-y-Don – Mon 7th – Fri 11th July 2025

WHAT A BUSY WEEK!

Thanks to our PTA Mums who have been in school, helping us get ready for the Christmas festivities and all the wonderful treats we have in store for our Mini Acorns and their families.

This week has also seen Basketball training with Cheshire Phoenix for a group of UKS2 pupils who are always ready, respectful and safe.

All of Year 3 and 4 have been on the train to Liverpool for a field trip to the museum, which was very exciting and a great success. Thanks to the staff for making this happen.

We have also seen Reception access a wonderful opportunity with Passion 4 Learning to visit Santa and his elves and help with some Christmas jobs, hear a story and have a hot chocolate.

This was finished off with some KS2 pupils attending a Festive Sports Festival at EPSV!

TODAY ARE THE FINAL CELEBRATION ASSEMBLIES THIS YEAR!

CHRISTMAS DISCOS

Christmas Disco tickets are now on sale!

Wednesday 11th December

Reception & KS1 3:15 – 4:15 (bring clothes to change into)

KS2 4:30 – 5:30

Please collect all children as you would at the end of a school day, from their normal doors. We are also holding our Silent Discos for invited pupils only, running at the same times. Please speak to Mrs Bentley about these.

POTLUCK BOTTLE TOMBOLA!

At all 6 of the Christmas Productions, the PTA will be running a 'Potluck Bottle Tombola' thanks to all the generous contributions from our families. There are chances to win bottles of all sorts, but also potluck as there are some empty ones in there too! Try your luck and help raise much-needed funds which ensure most of the opportunities we provide for our pupils are free of charge or heavily subsidised. Many thanks.

ASK ME ABOUT...

Education is most effective when schools and parents work in partnership and parents are aware of what their children are learning about and doing in school. So, this week, please ask:

Caterpillars: colours

Butterflies: how I stopped Leafman from blowing away again

Reception: my school trip

1M: William Morris

1/2T: my William Morris inspired artwork

2U: how number bonds to 10 help me with number bonds to 100

3S: how life changed between the stone age and the iron age

3/4T: our trip to Liverpool

4I: what I learned during my trip to Liverpool

5McC: the viscosity of liquids

5/6S: the features of different biomes

6T: our science investigation about the viscosity of liquids
