ASK ME ABOUT...

Education is most effective when schools and parents work in partnership and parents are aware of what their children are learning about and doing in school. So, this week, please ask:

Caterpillars: who I love

Butterflies: what happened to the egg

Reception: innovating Dino Dom's story

1M: my own Dragon machine story

1/2T: ways to help out planet

2U: the creation story

3S: different types of bridges

3/4T: building bridges

4I: addition written methods

5McC: long multiplication

5/6S: what to do if I see something inappropriate online

6T: the ways I can show respect to myself and others when I'm online

Here at The Acorns, we place high priority on Children's mental health every week, and we are proud to be a 'My Happy Mind School'. This half term, all classes have been working on the module 'Celebrate'. This is designed to help children recognise their strengths and promotes self-reflection. The children have worked on a variety of activities to build self-awareness.

This is what our mini acorns say about My Happy Mind:

"I love recording my thoughts and feelings in my journal"

"My favourite bit is the songs"

"it is good because we are learning about how our brains work and process information"

"we look at our strengths, mine are bravery and honesty"

Watch this space for information about our 'My Happy Mind Day' in May which will be held during World Mental Health week, which this year is 12th to 18th May.

Parents and carers can find out all about what our Little Acorns are learning in school by downloading the myHappyMind app and quoting code 149092.

ROAD SAFETY

This week there have been 3 incidents of cars pulling up by school in a dangerous manner or not being aware, 2 of which have resulted in people being hurt; one child knocked off a bike by a car door opening and a parent hit by a car reversing, whilst protecting a child who could not be seen by the driver. These have been reported to the Police.

PLEASE, please can all our parents be aware and sensible when driving or parking near school. Accidents like these cannot happen and it is scary to think how bad they could have been. Let's all look after our community and keep our children safe.

FEBRUARY HALF TERM FOOTBALL CAMPS

Come and join us for a fun-filled football camp led by UEFA A qualified coach, Mike Hayes.

During the camp you will learn key principles of football including passing, dribbling, shooting and much more.

The sessions are open to girls and boys of all abilities. Prizes for players for the day and penalty shootout.

Please bring a packed lunch including soft drinks.
