Residentials 2025

Year 2 to Tattenhall Tue 1st – Wed 2nd July 2025

Year 6 to Min-y-Don – Mon 7th – Fri 11th July 2025

PROJECT EVOLVE

This year we are having a real focus on online safety and supporting our pupils to develop a better understanding about staying safe and positive online.

To support this development, we began an initiative called 'Project Evolve', back in September 2024, which you should all now be familiar with.

Six months in, we are now running our 3rd Project Evolve unit of work across school. This current unit of work is focussed on 'Online Reputations'.

As we did at the end of Units 1 and 2, we will be sharing more with parents through School Spider soon so that you know how well your child is progressing and where they are up to in their journey.

DANCE FESTIVAL & NETBALL STARS

This week, pupils from 5/6S performed in the annual local school sports Dance event held at Civic Hall. This was the perfect end to their 8-week dance project. The children performed beautifully in a dance inspired by broken toys. We are very grateful that our pupils have the opportunity to perform on such a stage each year – what great personal development!

We were also able to provide 8 Year 5&6 pupils with the chance to fall in love with Netball this week, through an event aimed at children 'new to the sport'. Our players were amazing; enthusiastic and always ready, respectful and safe. They can't wait to get back out on court.

ASK ME ABOUT...

Education is most effective when schools and parents work in partnership and parents are aware of what their children are learning about and doing in school. So, this week, please ask:

Caterpillars: Ask me about colours (Elmer)

Butterflies: What was scattered all over the carpet in Butterfly class?

Reception: The main characters who visited us from the story 'The Gingerbread Man'

1M: what a hero is

1/2T: Year 2 - what do male and female mean?

Year 1 - how do we keep ourselves clean?

2U: my peas I'm growing

3S: what is British Science Week

3/4T: science week

4I: Ask me about sending and receiving emails safely.

5McC: Ask me about how we know that 1/3 is bigger than 1/4.

5/6S: the life cycle of a chicken

6T: Ask me about the life cycle of an amphibian

WELCOME MRS PITT!

This week we have welcomed our new Admin Assistant, Mrs Pitt, to Team Acorns! This will now allow Mrs Stride to fulfil her role of Operations Manager whilst leaving the front office well manned with Ms James and Mrs Pitt.

Pop in and say 'hi' as she gets to know our school, our pupils, our systems and our families.

Level 2 Supporting Teaching and Learning in Schools

FREE COURSE

FREE if you are 19+ and on an out of work benefit OR earning less than £25,000 per year

Would you like to become a teaching assistant?

'Supporting Teaching and Learning in Schools' course

Study through face to face workshops alongside your paid or voluntary role in a school setting. Must have GCSEs A-C in English and maths or be willing to complete an assessment to demonstrate Level 2 skills.

Enrolling now for September 2025
